JOHN F. WHEELER, School District Treasurer.

AUDITOR'S REPORT

I hereby certify that I have examined the accounts of the School Board and School Treasurer, and find them correctly cast and properly vouched.

HAROLD B. NICHOLS, Auditor.

SCHOOL BOARD'S REPORT

In submitting the report of schools for your consideration, it should be understood that the report covers practically four terms whereas previous reports have been for three terms, or one year's work.

At our last annual school-meeting the district voted \$200 extra money for last spring's term and empowered the School Board to borrow in case of deficit. This sum did not cover the expense of the term so the district is in debt upward of a hundred dollars at this settlement, but there is every reason to expect that the money in the treasury for use in September 1918 is sufficient to maintain the usual number of schools during the present year and also to cancel the indebtedness.

Working against unusual trials and vicissitudes, the parents and citizens have almost unanimously supported and cooperated with us in getting the best possible results in progress.

It has been especially difficult to procure teachers at the small wages which the town is able to pay and experience has convinced the Board as well as the public generally that it is wiser to engage local teachers whenever

possible rather than take chances on teachers from a distance.

The expenditures for text-books have been very small but some new books are imperative in the near future. The arithmetics in our schools have been in use for fifteen years and consequently are much worn beside being out of date and unsanitary. The Board will feel it a duty to replace them at an early date.

Geographies, which at any time need frequent changes, are particularly needed as soon as the unsettled affairs in Europe are adjusted.

Supplementary reading, especially on agricultural lines, are a necessity in rural schools. Your Board of Education therefore recommends the following sums:—

Text-books and supplies	\$150.00
High School tuition	200.00
Flags and appurtenances	25.00
